Co-Chair  
Civil Will Green Party, Mongolia

Dear Dr. Sanjaasuren:

On behalf of our Executive Committee and all participants present, we would like to express our deepest gratitude for your party's hosting of the CALD Mongolia Seminar and Study Visit last 23-27 May 2012. While it is regrettable that we were unable to personally attend this event, we have heard wonderful things about your party's commitment to liberal values, hospitality and love for culture.

We would like to thank you for your sponsorship and organization of all local arrangements, including the accommodation, cultural shows and trip to the countryside. Please extend our thanks to the organizers, speakers and session chairs, and all party members who were involved and warmly welcomed our delegates.

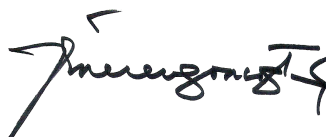

We would also like to take this opportunity to wish the Civil Will Green Party all the best for the parliamentary elections on 28 June 2012. We are optimistic that your hard work and determination will produce positive results, and are confident that your newly-elected representatives will be committed to strengthening liberalism and democracy for the Mongolian people.

We look forward to organizing future CALD activities in your country and the continued strengthening of CALD's relationship with its newest member party.

Very truly yours,

**Sam Rainsy, MP**  
Chair
