Ms. Bi-khim Hsiao

Member of Parliament-elect, Hualien County
Democratic Progressive Party of Taiwan

Dear Bi-khim:

On behalf of your Council of Asian Liberals and Democrats (CALD) family, allow me to extend our warmest congratulations to you for breaking the chains of KMT-rule in Hualien through your election as the county's first DPP representative to the Legislative Yuan.

Your story has truly been an inspiring journey of hope that amidst past defeats and tremendous challenges, one can still succeed for as long as one remains focused on the goal. It is through leaders like you that we see how liberal principles and ideals can be effectively put into action. Your victory is a testament to how voters ultimately reward hard work, dedication, vision, and patience. With your leadership, we have no doubt that Hualien would be in good hands in the years to come.

As we celebrate your success, we express our hope that your narrative will send ripples of encouragement to fellow liberal across Asia and the globe.

Again, we send our very best wishes and felicitations. We look forward to seeing you again and celebrating with you in future CALD events.

Very truly yours,

Oyun Sanjaasuren
