Dear Ching-Yi and Chih-Wei:

On behalf of the Council of Asian Liberals and Democrats (CALD) we would like to thank you for attending and hosting the CALD Smart City Blueprint Seminar-Workshop last 23-26 August 2019 held in the beautiful city of Pingtung. We thank you for spending time with fellow liberals from Asia despite your busy schedule.

We greatly appreciate all the help and assistance you have extend to us. The success of the event would not be possible without your valuable input in the program and the excellent ideas and experieces you have shared to the CALD delegates.

Based on the feedback from the delegates, the event was excellent and the organizing team did a good job providing an effective program and an appropriate environment condusive for learning and exchange of ideas. They also appreicated the food, the culture and the essential input from the speakers. Pingtung was a great choice for the Smart City event.

This has been our third CALD event so far this year with the DPP serving as CALD chair-party. All programs achieved the objectives and we received positive responses from delegates and attendees. We trust that more effective and efficiently organized programs will take place in the future under the guidance of CALD Chairperson Bi-khim Hsiao and the healthy partnership and close coordination between the CALD secretariat and the DPP International Affairs Department.

Once again, thank you and we hope to see you and work with you again in future CALD activities.

Sincerely,

Celito Arlegue
