Monitoring And Evaluation of Smart Kampung Through “Bunga Desa” Program

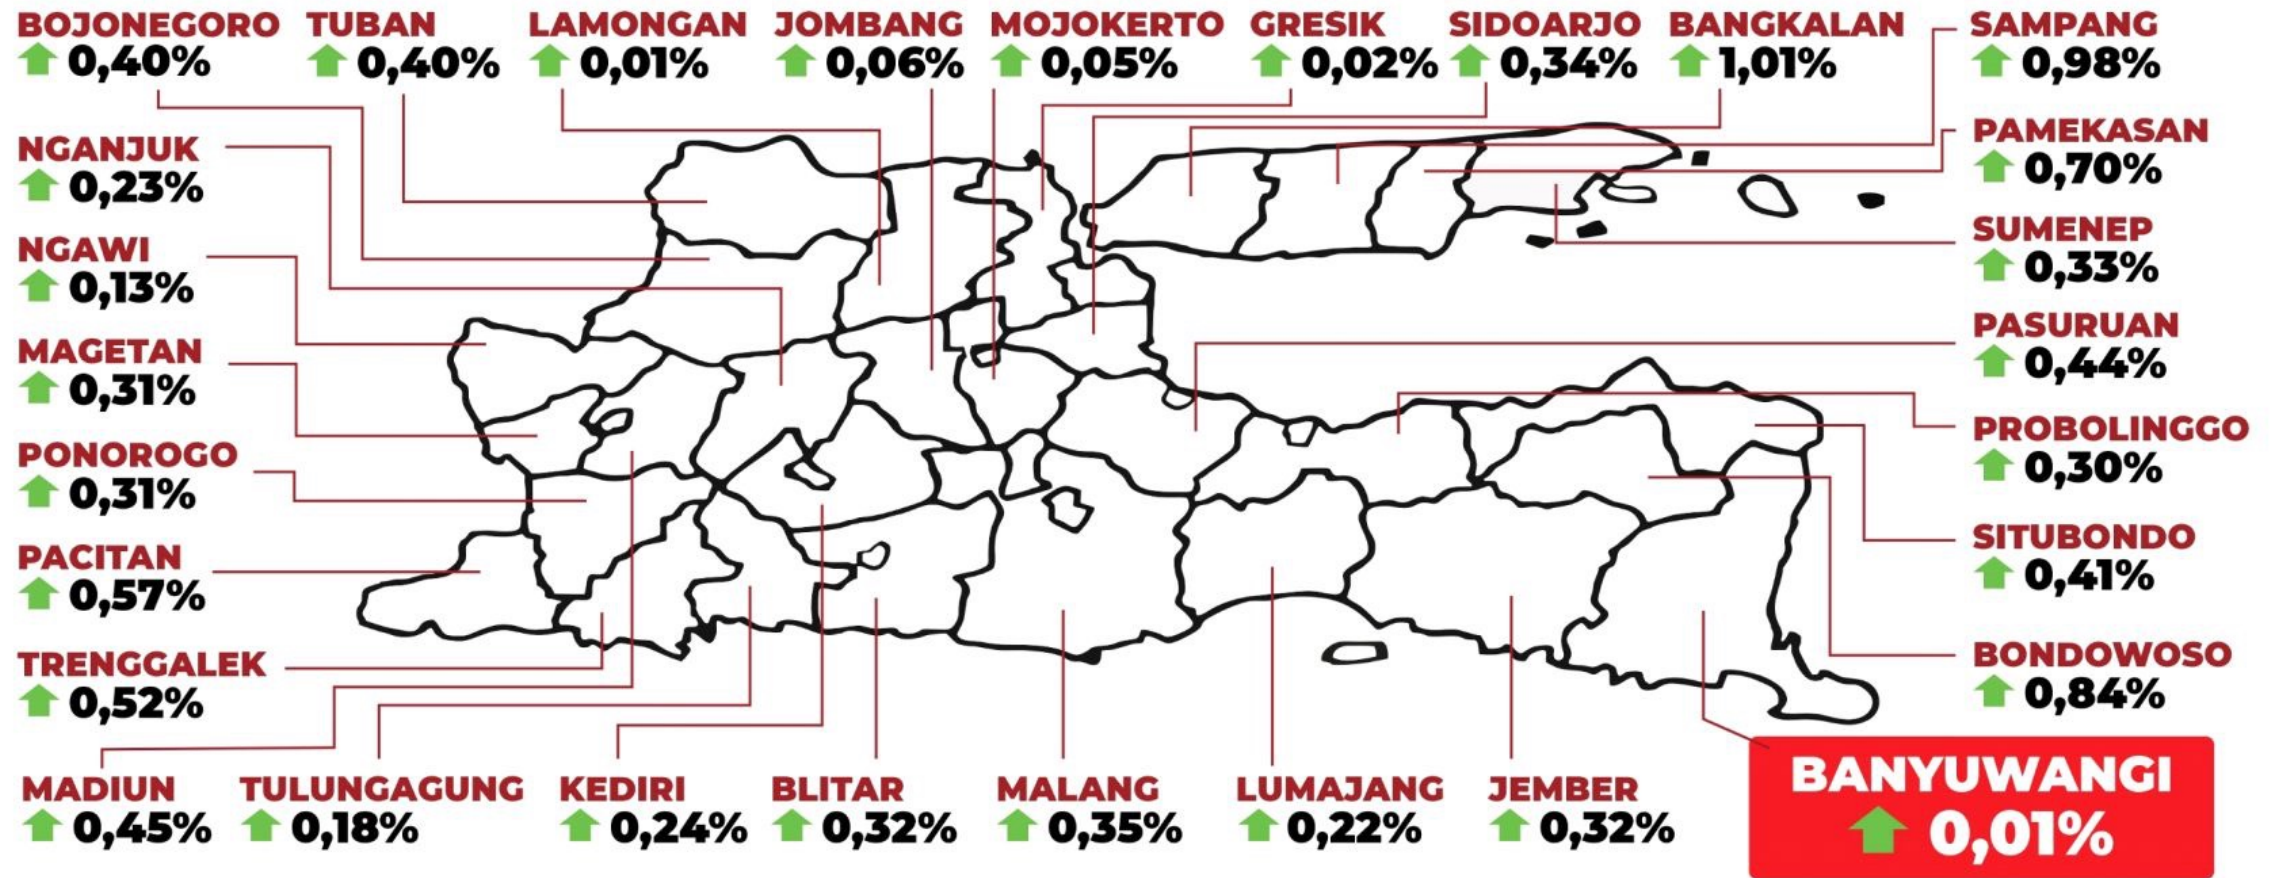

- Provided direct solutions to the affairs of the villagers
- More than 5,000 problems were solved (population issues, education, health, MSMEs, licensing, agriculture, infrastructure and other services)

- **Smart Kampung** is included in the list of 100 Smart City 2021 in the **Smart Economy category**;
- The 2021 Indonesian Tourism Village Award (ADWI) for the **Digital Category**;
- Indonesia Smart Nation Award (ISNA) 2020, in the **Smart Society category** (for accelerating verification of social safety net recipients);
- Innovative Government Award/IGA 2019, for the **digital public service category**;
- Banyuwangi Regency is included in **ASEAN Smart Cities Network**

In 2021 the poverty rate in Banyuwangi is 8,07 %,only a slight increase of 0,01 %, which is the lowest increase in poverty in East Java

Banyuwangi is the lowest increase in poverty in East Java Province

Thank You

WARUNG NAIK KELAS (RAISE THE CLASS OF THE STALL)

we have upgraded more than 350 stalls
and provided more than 1,000 production
equipment assistance

Usaha Rakyat Naik Kelas

WeNaK
WARUNG NAIK KELAS

“ **Social safety net, each worth IDR 300.000,- to more than 7.000 street vendors and small stalls** whose trading time was limited during the restrictions on the treatment of community activities period (PPKM) ”

The movement of government officers and the community to go shopping at street vendors and stalls nearest their home on unique dates every month, 2.2, 3.3, 4.4 etc

More than 7.500 transactions are generated each month
